

Welcome to 5th Grade

Hello parents and students. My name is John Christiansen and I will be the new 5th grade teacher! I am excited to start my second year teaching at New Rockford-Sheyenne and getting to know my future students. This will be my seventh year teaching after spending five years teaching 5th & 6th grade in my hometown of Bowbells, North Dakota. While teaching in Bowbells, I was the boys varsity head basketball coach for four years. I look forward to coaching with the New Rockford-Sheyenne boys varsity team as an assistant coach.

Hopefully, everyone was able to relax during this summer break and is prepared to come into the new school year ready to learn and have fun in school. I normally plan lots of fun projects and hands-on learning activities to go along with readings from the textbook and the occasional worksheet. Come ready to work hard! School begins Tuesday, August 24th.

I look forward to getting to know all of you over this next school year.

Mr. Christiansen
