Flower Parts Foldable Instructions

To review the flower parts we will be creating a “Flower Parts Foldable”!

1. Color your flower.

2. Use a blank piece of paper to make a “flap” by folding the top over and gluing it to the paper.

3. Make “flaps” for the following plant parts:
   - Sepal
   - Petal
   - Pistil
   - Stamen
   - Stigma
   - Style
   - Anther
   - Ovary
   - Filament
